Reversed Geology #1, 2018

Leyla Cardenas
Reversed Geology #1 , 2018
pigment inkjet print on Bambou Hahnemühle paper mounted on brass, mortar print on Bambou Hahnemühle paper mounted on brass, mortar
93x44 cm or 36.6x17.3 in
Unique artwork
courtesy Galerie Dix9 Hélène Lacharmoise

Description:
The image shows the Kura river, outside Tbilisi in Georgia.
The artist intends to make the river being the sculptor, so she only documented the parts of the mountain that show some stratigraphy and layers of time.
