INV Nbr. SR-girl17

Description:

This work comes from a small photography, found in a window shop in Tel Aviv, where the artist had a residency in 2018.

The original photography was damaged by a too long exposure in the sun. The disappearance of the photographic emulsion is revealed through an extreme enlargement of the print and a same resolution all over the image. It also appears that only the indigo pigment resisted over those years.

Exhibitions:

Goethe Institut Tel Aviv, 2018
