Description:

Sentences are extracted from "Hamlet" by Shakespeare, far away like stardust. Four centuries later, they appear to us surprisingly close and hard-hitting.

Shakespeare's concern, while scrutinizing the warning cosmic disaster tragedies, resonate eerily today in our distress.

The fragile paper winces under tension glittering dust and their writing "to tell my story."

These are phrases such as:

- To tell my story
- Trick of Fame
- The Law's Delay
- The Oppressor's wrong
