105x75cm
Unique artwork
Courtesy Galerie DIx9 - Hélène Lacharmoise

Description:
Born in 1988, Angele Guerre graduated from Beaux-Arts School of Paris. Her drawings are the result of precision and dexterity inside a strange and complexe universe. A space where baroque surfaces meet sensual windings. As such, real landscapes finally turn into fantasized worlds.Entre eux deux could be consider as the construction of a two-leveled world. Two sibling realities.
