Description:
Uncontained images is an audio/video installation composed of five different animated films that are unified with one space, which was created by drawing frames of different film sequences. Each sequence is made of drawings on book pages.
The sequence that represents hands in the endless shift of relaxation and shrinkage in fists is inspired by "The Wrong Man" by Alfred Hitchcock (1956) and is located on the pages of the book titled "Tenth Congress of the League of Communists of Yugoslavia".
