INV Nbr. SR-girl15

Description:
This work comes from a small photography, found in a window shop in Tel Aviv, where the artist had a residency in 2017.The original photography was damaged by a too long exposure in the sun. The disappearance of the photographic emulsion is revealed through an extreme enlargment of the print and a same resolution allover the image. It also appears that only the indigo colour resisted over those years.

Exhibitions:
"Next Generations", Morsbroich Museum, Leverkusen DE, 2019"Quadrate & Madchen", Goethe Institut, Tel Aviv Israel, 2017
