Edition of 3 ex + 2 AP
courtesy Galerie Dix9 Hélène Lacharmoise

Description:
The slides from that series by Sebastian Riemer were once used to represent the visual canon during lectures. Obsolete today, they have been replaced by digital images. The source material is visually offered to the beholder in the form of large scale ultra high resolution reproductions. It highlights the materiality and all the traces of time that were accumulated since then, revealing what we normally could not see with our eyes.
