serie Psychopolitics

ink on paper

192 x 256 cm

Unique artwork

courtesy Galerie Dix9 Hélène Lacharmoise

Description:

In the background is a text about truth, extract from the "Political Encyclopedia" dating from ex-Yugoslavia. The text is then covered by a drawing of the sea inspired by "Doctor No" (James Bond).

Behind the screen is a scene from "Seven days in May", a film dating of the Cold War!

Inside of the screen, the figure is inspired by the American series "Twilight Zone".
