

Endless reweaving III (Retissage sans fin), 2023

Leyla Cardenas

Endless reweaving III (Retissage sans fin) , 2023

version 1/3

Photographs dye-sublimated on polyester silk then unweaved, bronze

147 x 126 x 2 cm

Unique artwork

courtesy Galerie Dix9 Hélène Lacharmoise

Description:

The two layers of textile are issued from the same image shot in Tbilissi, Georgia, but printed mirrored, so there is a kind of analogical superimposition of the final image. This gives the illusion of a third dimension.

Moreover the light that goes through the threads creates a kinetic effect.
